December 2015

The Georgia Automatic Merchandising Council is a statewide Trade Association chartered and affiliated with the National Automatic Merchandising Association (NAMA). We are dedicated to promoting the common business interest and general welfare of our Associations membership.

Thanks to our dedicated members GAMC has a proven track record of success in resolving issues that threaten the wellbeing of all of the industry members in Georgia. It is imperative that we remain a strong association and the only way we can continue to accomplish our objectives is with your help. We ask you to show your support by joining the GAMC today.

There are obvious reasons for you to invest in your future:

- GAMC is the Watchdog for You!
 - GAMC employs a consulting firm, McGuire Woods LLC, to maintain a very watchful eye on any legislation that may affect you - A Georgia industry member. This year McGuire Woods was successful in holding several one-on-one meetings with our Georgia Legislators to discuss issues facing our industry. Please watch your email for further details on GAMC's Capitol visit on February 17th, 2016.
- Continuing Education
 - GAMC awards an annual scholarship to NAMA Executive Development Program at Michigan State University. Through this NAMA program Georgia sustains a consistent flow of trained professionals that will navigate the future for our industry.
- Giving back to our Heroes
 - Each year GMAC donates gift packages to the USO for all Armed Forces men and women that pass through Hartsfield/Jackson International Airport. Last year we included hand written cards and letters from the family members thanking them for allowing us to keep our freedom. Since the USO receives many other donations in December, GAMC's donation will be in conjunction with another holiday in 2016. Please watch your email for more information on how you can assist.
- And lastly, the GAMC provides the conduit for a unified front for **ALL** Georgia industry members. This unified front encompasses not only us operators of refreshment service companies but includes our suppliers, brokers, manufactures, etc. whose support is needed to overcome issues common to all of us.

There is strength in numbers, so I ask you today to find it in your budget to support the association that works hard for you every day.

Renewing members..... Thank you for your support, we will continue to work hard for you!

Non-members..... Please consider joining the GAMC and together we can all work for a better future.

Sincerely,

GAMC 2015-2016 Board of Governors
