The Georgia Automatic Merchandising Council is a statewide trade association chartered and affiliated with NAMA, the national association representing the convenience services industry (vending, coffee service, micro markets, food service). We are dedicated to promoting the common business interests and general welfare of our membership.

Thanks to our dedicated members, GAMC has a proven track record of success in resolving issues that threaten the well-being of all industry members in Georgia. It is imperative that we remain a strong association, and the only way we can continue to accomplish our objectives is with your help. We ask you to show your support by joining or renewing your GAMC membership today.

There are obvious reasons for you to invest in your future:

- **GAMC is the Watchdog for You!**
GAMC employs a consulting firm to maintain a very watchful eye on any legislation that may affect you, a Georgia industry member. GAMC and our lobbyist, Andrew Long, have continued to be successful in holding one-on-one meetings with Georgia Legislators to discuss issues facing our industry.
- GAMC provides the conduit for a unified front for **ALL** Georgia industry members. This unified front encompasses not only operators of convenience service companies, but also includes suppliers, brokers, and manufacturers whose support is needed to overcome issues common to all of us.
- GAMC awards an annual scholarship to the NAMA Executive Development Program. Details available upon request.

There is strength in numbers, so we ask you today to find it in your budget to support the association that works hard for you every day.

Renewing members..... Thank you for your support, we will continue to work hard for you!

Non-members..... Please consider joining the GAMC and together we can all work for a better future.

Sincerely,

GAMC Board of Governors
